Dear Marvin

**DfT National Productivity Investment Fund – Temple Quarter Enterprise Zone East Access**

I am writing to offer my backing for the Bristol City Council bid for the National Productivity Fund.

Whilst most of the proposals included in this bid affect routes located in other Bristol constituencies, the benefits of the proposed scheme – in the shape of easing congestion and supporting a sustainable transport infrastructure in Temple Quarter - Enterprise Zone would be felt across the city, including by many of my Bristol South constituents.

I am therefore pleased to endorse this bid and offer it my full support.

Yours sincerely

Karin Smyth  
Labour MP for Bristol South
