Bike Kitchen

Bath & North East Somerset Council

Want to get your wheels working? Fix up and fettle your freewheeling friend? Then look no further, help is at hand!

Bath and North East Somerset Council is partnering with Julian House Bike Workshop in Bath to provide monthly bike kitchen sessions. This is an opportunity for you to carry out DIY maintenance on your bicycle, in a professionally equipped workshop. Qualified cycle mechanics will be on hand to support and provide advice. *You decide the work needed based on your experience and riding needs*.

Suitable for everyone over the age of 16, from novice to the experienced

COST:

1HR	£10
2HRS	£15
