

INSET A

The Clean Air Zone (CAZ) covers the eastern side of Bridge Valley Road.

- This allows drivers travelling southbound on A4 Portway to be able to turn left into Bridge Valley Road without entering CAZ.
- Note that large vehicles may not be able to turn left here. Therefore, their decision point is likely to be at Sylvan Way, approximately 2.5 miles before this point.
- Drivers on A4176 Clifton Down will enter the CAZ at the top of Bridge Valley Road.

SEE INSET A

SEE INSET B

- Left turn from M32/Newfoundland Way into Houlton St is possible without entering the Inner Zone.
