

If you normally use one of our bookable **WESTlink** minibuses to get around, the new service 768 is a great alternative - with no need to book and the added bonus of being able to travel directly to Bath.

For other locations, or at different times – just book a **WESTlink** as usual on the app.

If you're new to **WESTlink**, find out more by scanning the QR code, downloading the app (search **WESTlink**) or calling 0117 457 8561.
